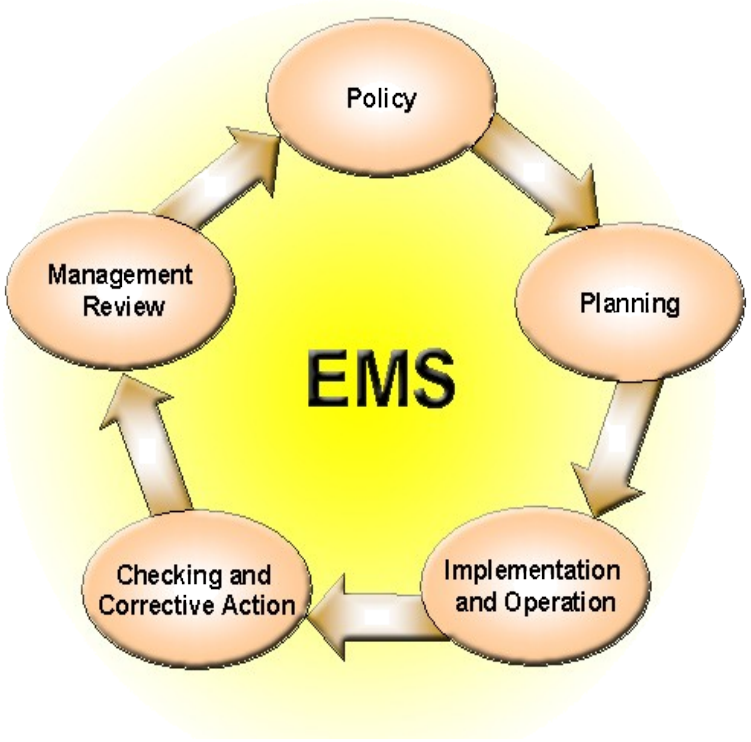
➢ Opening Remarks	Mr Tafoya
➢ EMS Review	Ms Diemer
➢ Earth Week Activities	Ms Hettinger
➢ EPAS	Mr Welch
➢ HazMat/HazWaste Update	Mr Hanson
➢ Discussion	EQCC
➢ Summary, Wrap-up	Mr

What is an EMS?

What do I need to know?

- Be familiar with the policy statement
- Know who your ECO is
- Know the environmental impacts of your job
- Be familiar with the objectives and targets for USAG-HD



Check out the website at:

http://www.dpw.heidelberg.army.mil/environmental/Environmental_Management_System.htm

Commander's Responsibility

- Ensuring each unit has an ECO
- Ensuring training needs are met
- Knowing the Branch, Unit or Organization's environmental responsibilities
- Referring to roles and responsibilities handout

ECO Responsibilities

- Ensure training needs are being met
- Relay environmental information to the unit
- Make sure SOPs are easily located
- Display the EMS Policy Statement in the unit
- Refer to Roles and Responsibilities handout

Earth Week Preparations

Unit events must be reported to the Environmental Division by 15 Feb for proper coordination and support.

At the Earth Day Event, 28 April 2006, Mr. Tafoya will distribute awards for the winners of the school contests, as well as:

- **ECO of the Year**
- **Best Unit Earth Day Event**
- **Best Unit Hazardous Materials/Waste Management Program**
- **Best Unit Recycling Program**

We are currently coordinating the kickoff of a Pilot School Environmental Program, in conjunction with the City of Heidelberg, and the Environmental Mayor.
Tentative Earth Week Schedule has been distributed.
